Turbo Tools Names Taylor Tools Master Distributor

Taylor Tools has been assigned the roll of master distributor for the complete line of Turbo Heat Welding Tools, according to Turbo's president and owner, Leo Martinez.

"Taylor Tools is one of the most highly-respected and well-established companies in the the flooring industry," said Mr. Martinez. "We're confident that they will do a superb job of promoting our tools to this key market."

Turbo manufactures a wide line of quality flooring tools including groovers, welding guns and nozzles, planes and accessories. All Turbo products include a lifetime warranty and a 30 day money back guarantee.

Taylor Tools manufactures professional floor covering tools and equipment in their Denver, Colorado plant. As master distributor, Taylor Tools will supply Turbo Tools products through their large network of national and international flooring distributors.
