Air Breather Series from Industrial Specialties

A series of lightweight breathers help keep tanks, reservoirs and systems clean. Made from durable nylon, these breathers have a standard 48 micron screen with optional porous materials in 35, 70 and 250 microns.

Breathers can be mounted in any direction and the protective caps are easily removed for maintenance or cleaning.

The sleek design is available with cap color options of white, brown, orange, red, green, gray, blue or yellow as well as standard black.

Both male and female threads are offered in 1/16, 1/8, 1/4, 3/8, 1/2 and 3/4 or with panel mount.

For more information, contact: Jim Davis, Industrial Specialties Mfg., Inc., 2741 W. Oxford, Unit #6, Englewood, CO 80110. Phone: (303) 781-8486. FAX: (303) 761-7939. website: <http://www.industrialspec.com>. e-mail: sales@industrialspec.com
