New “Carpet Cricket” Knife from Taylor Tools

Blade changeouts are quick and easy with the new Carpet Cricket knife from Taylor Tools which features a patented, one-handed “Quick Flip” blade changing technology..

The #503 Carpet Cricket also includes a gap-free tip which completely supports the blade and a high-traction swivel surface for smooth operation.

The blade holder is made of tough plastic to protect the edges of stored blades and also features a textured grip and a cut-out for fast, easy blade removal.

Taylor Tools manufactures a complete line of unique, innovative products for the flooring industry including floor prep equipment, moisture testing solutions and carpet installation tools.
