New Instabind On-Site Carpet Binding System

Taylor Tools has introduced Instabind, a fast, easy way to bind carpet on-site without machinery.

With the Instabind kit, a flooring installer can easily convert leftover carpet into beautiful throw rugs, stair runners and samples with either regular binding, serge binding or rope binding in a choice of 22 colors.

The binding process involves only a few tools - scissors, clear tape and a hot melt glue gun which is provided in the starter kit.

The Instabind starter kit includes easy-to-follow installation instructions as well as a handy chart of the various colors and binding materials available from Taylor Tools stocking distributors.

For more information, contact: Keith Papulski, Taylor Tools, 5045 Paris St., Denver, CO 80239. Phone: 303-371-7667, FAX: 303-371-7669.
