## **Plastic Manifold Choices Offered**

A wide selection of lightweight, compact manifolds are available from Industrial Specialties Mfg. in a choice of plastic materials and sizes.

Material options include Nylon, Natural or Black Delrin®, Teflon, Natural or Black Polypropylene, Kynar®, White or Gray PVC.

Flow can be diverted to many ports while unused ports can be plugged. Fittings and tubing are also available for product consistency.

The LNM Series of manifolds are available with inlet ports from 1/4" thru 1/2" female NPT and distribution ports from 1/8" to 3/8" female NPT.

For further information, contact: Industrial Specialties Mfg., Inc.,  
2741 W. Oxford, Unit #6, Englewood, CO 80110. Phone: (303) 781-8486. FAX:
