Color Coded Pressure Relief Valves

A new series of compact metal relief valves are now available from Industrial Specialties Mfg., Inc.

Valves can be pre-set from .5 to 150 psi and settings are accurate to $\pm 5\%$. The psi setting is stamped on the valve.

Brass relief valves are standard with optional materials of aluminum or 316 stainless steel.

Valves are available in sizes of 10-32, 1/4-28, 1/16, 1/8, 1/4 and 3/8 threads and special designs can be supplied.

The plastic protective cap offers valve protection as well as color coding. Muffler caps and metal caps are also available.

For more information, contact: John Scott, Industrial Specialties Mfg., Inc., 2741 W. Oxford, Unit #6, Englewood, CO 80110. Phone: (303) 781-8486. FAX: (303) 761-7939. website: <http://www.industrialspec.com>. e-mail: sales@industrialspec.com
