## **New Mini Pick-up Filters Announced**

A new series of miniature pick-up filters eliminate contamination on pick-up lines, according to manufacturer, Industrial Specialties Mfg., Inc.

Featuring a standard 40 micron nylon filter, these compact filters are cleanable and easy to service. The screens can be replaced by simply rotating the nut.

Nylon housings, standard in white, can also be provided in black, red, green, blue, orange or yellow. Fittings can be supplied as barbs, tees, elbows, male and female threads and panel mounts.

The filters can be used as breathers and larger filter sizes as well as free samples are available.

For more information, contact: John Scott, Industrial Specialties Mfg., Inc., 2741 W. Oxford, Unit #6, Englewood, CO 80110. Phone: (303) 781-8486. FAX: (303) 761-7939. website: <http://www.industrialspec.com>.
