Mini Needle Valves

Introduced

A series of compact, in-line needle valves in straight or angle designs are now available from Industrial Specialties Mfg., Inc.

Only 1.75" in length, these valves feature polypropylene bodies and NBR packing to offer a positive shut-off.

Push-in ends are available in 1/4", 3/8", 6mm and 10mm sizes to accept O.D. tubing. Male and female threads are available in 1/8", 1/4" and 3/8" NPT.

Valves include a nickel plated knurled adjusting knob and locknut to maintain needle settings.

For further information, contact: Industrial Specialties Mfg., Inc., 2741 W. Oxford, Unit #6, Englewood, CO 80110. Phone: (303) 781-8486. FAX: (303) 761-7939.
